Subject: LAST RFP we were waiting for Gateway Entrance Signage

Good afternoon,

We got the last RFP in for the gateway signage project. Is everyone available on Tuesday at 9:30am for a meeting to select a contractor?

FYI, my son is graduating college and I will be in Arizona from Thursday to Monday, May 11-15, 2017 to attend his graduation.

Thank you.

Hi Andy, Thanks for taking time to speak with me yesterday. Per your request, attached is our proposal for the gateway sign at the intersection of West 6th St. and N. Harbor Blvd. in San Pedro.

If you have any questions, do not hesitate to contact Jan Cicchetti or myself at this email address or at 310.592.1400.

Thank you for the opportunity to submit this proposal.

Sincerely,

We are requesting RFP's to work with on design or branding agency on designing a new Gateway for the Intersection of [West 6th Street and N Harbor Blvd](#). We represent the area. It's known to be a high traffic area on weekends, near Dock 7 DLR and the upcoming San Pedro Public Market. There is also High Wind.

The project will be the first of the re-branding effort for the San Pedro Historic Downtown Waterfront District. I attached a PDF of samples to show you samples of a few north signs from other cities for day but right so references including on-site concept we had for the intersection.

This is a request for quote to pay for work on the following deliverable:

- Concept design
- Photo mock-up Day and Night
- 3D rendering if possible
- Branding research

We are not looking for engineers or technical details at this time until after the concept phase.

Please call me at 310.592.1400 Monday to Friday 10am-5pm for additional details to help get the quote ready if interested.

We need this Quote ready by early next week ASAP!
